PERSONAL PROJECTS

Video Game Levels

- I design and create playable experiences using game engines like Unreal Engine, Unity or Hammer to improve my abilities.

Music Album

- I composed, recorded and produced a an album with a band I had. I designed the artwork and handled all the production issues.

Personal Short Films

- I am a constant narrative writer. I mostly write short scenes which I film and edit.

Interviews Podcast

- A podcast in which I interview young people who often don't have a voice. I chase interesting and personal stories and experiences.
